UNIVERSAL COMPOSITE PANEL SYSTEMS, INC. LIMITED WARRANTY

Universal Composite Panel Systems, Inc. ("UCPS") warrants that all UCPS products manufactured by it will be free from material defects, only (the "**Limited Warranty**"). This Limited Warranty extends from the date of first sale for a term of one (1) year from that date, only (the "**Claim Period**"). Upon UCPS's inspection and confirmation that a product has been found to be defective, in UCPS's sole determination, UCPS's committed exclusive remedy for any claim pursuant to this Limited Warranty is limited to either the repair or replacement of the UCPS product, only. The warrantability of the product is solely based on the defects being recognized prior to the material being installed within the assembly, only.

Any and all claims under this Limited Warranty must be submitted in writing during the Claim Period and sent to UCPS, accompanied by a copy of this Limited Warranty and documented written proof of the original purchase of the product(s) from UCPS.

Without limitation of any terms or conditions of sale, this Limited Warranty does not hold UCPS responsible for and expressly excludes any product defects or claims arising in whole or in part out of the negligent or intentional acts, errors or omissions of the installer, or other negligent or intentional acts, errors or omissions that occur post-installation by Customer or any third party. UCPS strongly recommends that these products be installed by a qualified and licensed contractor with the knowledge and ability to properly install the product. In addition, and as a condition to our obligation to honor this Limited Warranty, installation is required to be performed in strict compliance with the manufacturer's published instructions and recommendations.

Any warranty claim shall further be limited solely to UCPS's cost of material for the product, and in a quantity determined by UCPS to have a manufacturer's defect, only. In no event will UCPS be liable for special or consequential damages of any kind (including, without limitation, lost profits, schedule delays, labor and/or any other damage, or injury or death incurred by Buyer, Owner, or any third-party, whether in contract or tort, or otherwise).

All projects/products to which this Limited Warranty applies are subject to inspection and review by UCPS at any time. In no event shall UCPS's liability pursuant to any warranty claim ever exceed the cost of repair or replacement of the material purchased itself only, for that project involving the initial installation, and does not include labor costs for removal or reinstallation. Further, UCPS is not liable pursuant to this Limited Warranty for any other claim of any kind whatsoever including, but not limited to, loss or damage to the exterior, interior, or contents of any structure, adjacent components or structures, or injury or death to any person under any circumstance.

This Limited Warranty shall be deemed to amend Universal Composite Panel Systems, Inc.'s most current Terms and Conditions (the "**Standard Terms**") found at the UCPS website located at: <https://ucps.us/> at the "Terms and Conditions" tab, which Terms and Conditions are incorporated herein by reference. Any term or condition of those Standard Terms not addressed or modified within this Limited Warranty shall remain in full force and in effect.

THIS WARRANTY IS NON-TRANSFERRABLE

NOTE: For this warranty form to be recognized, the UCPS Estimate/Order Form for this project must be fully executed, and attached to this warranty for proper and complete submission.
